“ I worked with Cindy years ago at Russellville Hospital. We became fast friends and supported each other through the years as we both became managers. Her love for the Lord and her family shown through her life. I am truly sorry for your loss. My prayers with you.

“ I will always remember the way Cindy loved and supported her children. She was so proud of both Jessica and Joel in all their endeavors. She was so very kind and you could always tell how much she loved Van. What a role model!
