“ To Ernest's children: I am Becky Davis, formerly Becky Self. I was just scrolling through obituaries tonight, and your dad's popped up. I recognized his name as being husband of Erleen Pugh. I knew her years ago as we were both writers for the Northwest Alabamian newspaper. I have a picture somewhere with her and Rose McCarley of Hamilton, all news writers. Both ladies were great writers and great people. I had lost touch with your mom a long time ago. So sorry about the loss of your dad.
