“ *My Uncle Joe was always the life of the party. I'm happy to have so many memories to hold close. I'll always look for him him in the night sky, because he often called me to tell me to look at the moon with him. Love you forever* ❤️

“ *Joey was a long time friend, having grown up together in Guin and were classmates all through high school and shared a room briefly at college. Will always remember how intelligent and friendly Joey was and a kind person. Will miss him, but so glad to have known him.*
