“ *Went to high school with Jeremy I was the new shy girl but I do remember him being extremely nice to everyone. But later on we worked together at Door Components I was in the office he was over plant 3. Again couldn't find anyone nicer than him. He loved his wife with all his being and would light up when she came to see him. Praying for Marisa and his children for I do not know what it is like to lose a spouse but my heart breaks for them. May God give them peace.*

“ *I lost my father May 16th, Jeremy worked with him. My father thought highly of Jeremy and so does my family. He helped us out around our house with tasks my dad was unable to do due to him not being cleared to lift from having surgery before he passed. Jeremy immediately stepped in and helped. He checked on me quiet often after he passed and told me to text him anytime if I needed him, that he had been in my place. I treasure him. We love you, Jeremy.*
