“ *Leroy was my best friend as an early teen. Our families attended the same church. He was about 2 years older than me, I enjoyed our younger years together Our families were connected through the years and it was a very important coming of age experience for me.. In our adult years we seldom saw each other, .He had a profound influence on me and I have not, will not ever forget him. We did not often see each other in our adult years - I regret losing contact with him and I will remember him as long as I live.. Harold Daughety, Pearl, Mississippi 7/25/2023*
