TB

“ *With a heavy heart, I offer my condolences to all of you. While growing up, I always thought Aunt Eloise was one of the most beautiful women I had ever seen! Her skin ivory and flawless, and never a hair out of place. Over the years as I became older, I discovered her inner beauty as well. She was a good wife, loving, protective mother and proud grandmother! Uncle Jr, Robert, Stacy, & Blaine, my words pale in comparison to the heartache I feel with her passing on. Despite geographical distance, and my inability to be there, please know you all are in my thoughts and prayers for years to come.*
