“ *I met Lisa at youth camp when we were young. Bill, Jr. and I were  
friends and classmates. Our kids played baseball together, so I was  
fortunate to be able to hang around Lisa during those years. I'm  
praying for comfort for the friends and families that miss her so  
badly.*

“ *Lisa was multi-talented. She could do anything. She always  
decorated for our baby and bridal showers. She decorated the  
church at Christmas. She cleaned the church and family life center.  
But more than that, she was a loving person who loved God above  
all. She loved her church family and her own family. She was a true  
friend and I will miss her so much!*

“ I worked with Lisa at the nursing home for 3 years. At first I didn't know how to take Lisa. She was very sassy. Hahahaha . But as I got to know her, I seen she was just her and nothing else. She always helped with anything. She had the biggest heart and she LOVED her family. She talked about her kids and grand babies all the time. I know without a doubt she's already being missed. Love and miss you Lisa and all your sassiness too❤️
