“ I was one of Marcus neighbors I lived right above him for many years until I had to move. Cuz always looked out for me and my daughter. We would sit out and talk for hours sometimes when I stayed over there him and Martha taught me so much and gave me so much knowledge when my daughter be out playing he would keep a eye for her also. He was the best and a good person he going to be truly missed. Going miss stopping by and taking to him.
