“ *I have known and loved Rachel since she married my cousin Bob who I adore. You might say that Rachel was a second mother to me when I needed her the most. When I was younger I lived with Bob and Rachel for 6 to 8 months because I needed a place to stay. Rachel welcomed me into her home with open arms and told me that I was welcome to stay as long as I wanted. I just talked to Rachel about a couple of months ago when my sister Rose Harrison passed. We had discussed plans on taking a vacation to the mountains when COVID-19 subsided. I will have to say when I received the text from my niece telling me that Rachel passed, I could not believe it. My head is still reeling from this news. I will miss Rachel terribly. I know my cousin is totally devastated and I wish I were there to comfort him. Bob if you need Bill and I for anything, please feel free to call us. The next time we go to Branson MO, we will come by and visit you. I wish I could be there to comfort you as you grieve. A lifetime together is never enough. I am thinking of both of you with so much love. I'm holding you in my heart. Love Always Kathy Perry*
