“ I was married to Bob's brother, Ken Frazier and we lived in Boone, Iowa. I remember Jean for her enthusiasm every time Bob's brothers/sisters talked about having a reunion. She and Bob never missed one starting in 1990 in Eureka Springs, Arkansas continuing on every year until 2001. Places we met were Nashville; Albuquerque; Montgomery Texas; Branson, Missouri; Boone, Iowa; and back to Branson, Missouri. Jean was special and so much fun to be around. I'm sure you all miss her.
