“ Sending thoughts and prayers. I've known Bob since I was about 12 years old. I met him when he was a sack boy at Foodway when he was still in highschool. He and my mother worked together. And he and my older sister were friends an they hung out a lot. Off course I got to be the tag along tatttle tale. Bob was a great person as far as I can remember always the life of a party , big cut up!! He was a replica copy of his dad Dan as some know as ole Fluter. They were definitely 2 peas in a pod. Lol!! Never thought there would be another Flute then there came Bob. Just imagine the cutting up an good time Bob an Flute are having up in Heaven right now as they are reuniting. Bob was loved by so many , He had the friends that's for sure. You Bob will surely be missed by everyone honored to have you as a friend. Rest now my friend. Peace out Captain
