

## Rose Harrison

April 6, 2020

Rose Marie Videnich Black Harrison, age 60, of Guin, Alabama, passed away peacefully on April 6, 2020 at North Mississippi Medical Center in Tupelo, Mississippi due to complications of the coronavirus.

Rose spent her life selflessly dedicated to caring for her family and for others. In life, she was a loving wife, mother, daughter, granddaughter, sister, grandmother and nurse. She loved to read, spend time with her family, and she loved to cook. She was well-known and remembered for her delicious banana pudding and her strawberry shortcake. She loved Alabama Football, snapchatting with her family, especially daughters and grandchildren, and was always ready for a conversation with her family and friends. Her compassionate and giving nature was contagious, which made her a great nurse. Her entire nursing career, of 30 years, was spent caring for geriatric residents in the nursing home setting. For over 25 years, she worked as a Registered Nurse at the nursing home in Winfield, AL and finished out her life as a registered nurse at Marion Regional nursing home in Hamilton, AL.

She was preceded in death by her parents, Frank Edward Videnich and Emma Jean Green Gilbreath; her baby sister who died at birth, Carolyn Chaney; brothers, Joseph Videnich and Frank Videnich Jr; her dogs, Lady, Fancy, Bea, Wally & Willy; and her kitty cat, Bella.

She is survived by her husband, Jimmy Harrison; her daughters, Jennifer Black, Amanda Williams (Kevin), Jessica Black; stepson, Benjamin Harrison; sisters, Kathy Perry (Bill) and Sherri Jolly (John); grandchildren, Cayla Howell, Megan Williams, Malorie Bishop, Melanie Bishop, Wesley Williams, Sara Howell, Macie Bishop, Peyton Harrison, Marlie Wallace and Malia Wallace; and many other relatives all of whom she loved and cherished.

Her life was a perfect example of her servant heart. She was a Believer and was prepared to meet her Lord and Savior, Jesus Christ. Her legacy will live on through her family in which she instilled compassion, an incredible work ethic and the power of a giving heart.

Private graveside service in Guin City Cemetery.

There will be a memorial service held at First Baptist Church in Guin, AL; date and time to be announced.

“ *I am so deeply sorry for the loss of precious Rose. Upon our relocation to Guin 9 yrs ago, Rose was one of first to make sure we felt welcome. She always had a kind, caring word no matter where she saw me. When I had my heart attack last May, upon getting home from Birmingham, she showed right up with Bar BQ, fixings, and a banana pudding for Barry. She impacted so many lives, and Guin will not be the same without her kind, loving gentle spirit. She made a difference in many lives. I pray each of you feel God's arms around you.. and know that prayers will continue in the days to come.* *Barry and Sandra Hall*

*It has been almost 11 weeks since my beautiful sister left this world. I am finally ready to post this tribute. Growing up we were just like any other sister, we argued and fought about various things. As we became adults, we were very close until our mother passed. My sister Rose was a very caring, loving, kind and considerate person and she always put everyone before her self. My hopes were that once we both retired, my family and I could move closer and be able to spend quality time together and reconnect like we had in the previous years. Unfortunately due to COVID-19, I never got that chance. It all seems so surreal to me that I will never see my sister again and be able to tell her that I love her and have always loved her. When my niece told me that she had just dropped off my sister at the hospital and that she had tested positive for COVID-19, I was in disbelief. I texted my sister and she responded. For the next three days we texted each other and I just assumed she was going to be ok, until Rose sent me a selfie of herself. When I saw the selfie, I burst into tears and to this day if I look at that selfie, I cry. I guess before I saw her selfie, I had hopes that my sister was going to beat this beast and we would someday be together again. Then I received that dreaded call that my sister was not going to make it. I know my sister is spreading her love, kindness and compassion for others in heaven. I love you with all my heart and I will see you again one day. Love always your "Big Sister".*

“ I'm so sorry for your loss. I only met Rose once when visiting Jimbo's BBQ with Martha Burleson. But Rose left an impression with how sweet this precious lady was. Jimmy was so nice and cooked some good food for us that night. Think they sat with us for a few minutes to visit. Prayers for healing and peace. 🙏🏻🙏🏻

*Rose and I met when we were teenagers. We worked at healthtex sewing factory. We actually ended up living side by side. Rose was an early bird and she would throw Little Rock's at my window to wake me up. We spent lots of time together just hanging out. Actually the day Elvis Presley died she and I had been laying out in the sun. We had come inside to get something to drink and I sat down in one of her chairs and sat on a wasp. I starting screaming. She thought I was screaming cause Elvis died. Just so many memories. I could go on and on. We went to nursing school together and worked together for years. We always met at Guin to ride to school together. Some mornings she would come flying in on two wheels cause she couldn't find her name tag, keys or something. She always said them kids messed with my stuff. Which was very well possible cause she had three kids but most of the time it was her. We would always get tickled but it's a wonder we survived cause we had to drive like crazy to get to school on time. I could write a book on the crazy things we've done and said. This doesn't seem real. Rose will truly be missed.*
