“ Oh my sweet Sammie...how I'm going to miss you so. You were one of my pets here at work, but you already knew that. I can just see you running around Heaven in those pink barefoot shoes I gave you in January. I loved spoiling you. You paid me back so many times with your sweet smiling face. It's just not going to be the same here at work not getting to see it. I know you're making Heaven a more beautiful place and just know, I'll be seeing you again one day. I love you girl! 🥰 Love Phyllis H.
