“ Sara was the president of the Mountain Breeze fan club back in the late 80s and early 90s. She was one of the sweetest ladies - always supportive of us. She would always bring Regina and Melissa to our shows - whether it was in Brilliant or somewhere much further away. We were honored to get to see her recently at The Roxy in Russellville. I will always cherish her friendship and the support she showed us over the years. Our prayers are with the family during this time. Joe Holmes
