“ Scottie was one of those people that when you met them, you automatically loved them. We met as coworkers, but soon after we became wonderful friends. She was an amazing best friend, and you knew you could call her whenever and she would answer or show up where you were. She became part of our family. Sleeping over countless times, supporting our babies at ball games, and loving my kids just as her own made her even more special to us. She'll always have a place in our hearts and our homes. You're definitely missed Scottie Cheyenne. We love you so much.
