“ *Most precious times are of growing up in a small town with her. Going to the Drive In Movie was probably the most hilarious memory !! We were in our teens and we went to the drive in movie one Friday night and just be sufficient to say we could have got in trouble but Vicki bailed us out !!! Many more memories there !! I will continue to love Vicki as long as I live !!! I love all of her family as well !!! She did tell me and Jimmy several weeks ago that if some thing ever happened to her to tell her Grandkids she loved them all dearly !!! She lived for her kids and grandkids , they were her entire life !! Prayers continue for this precious family . Praying for peace and comfort !!!*
