“ I remember this beautiful Mom , being at our church, sitting with her beautiful family, being so proud of them. You could see the love of Jesus in her beautiful face. I know she will be missed, but she is walking with Jesus. How amazing is that! Veneta, Howard and sons , you are in my thoughts and prayers. ❤️❤️❤️❤️

“ She was here in Arkansas when my younger brother was born! She and I were at our house while mother was in the hospital. Neither one of us could really cook very good, but we tried! Mother had bought some caned biscuits, which was new to us, as she always made our biscuits! We like to have never got the biscuits opened, and we laughed so hard , and had so much fun doing the best we could! Loved her so much, and always looked forward to her visits

She was my Sunday School teacher during my teen years at Union Chapel Missionary Baptist Church in Beaverton. I've never forgotten how sweet she was and had a desire for her teen class to do big things for the Lord. I loved her ❤️
